

2. Employ a continuous quality improvement approach to resident placements, other educational experiences, and program development, so that residents are prepared for practice, including in northern and rural areas.
3. Coordinate the recruitment of faculty for teaching and make recommendations for academic appointments in collaboration with the Associate Dean, Postgraduate Education and other academic leaders at NOSM
4. Work to enhance faculty support, development, evaluation and feedback to improve the commitment and retention of NOSM faculty
5. Ensure that each teaching site is visited at least annually to ensure preceptor input and feedback on the educational experiences and to support and foster evaluation and preceptors' professional development.
6. Prepare for and participate in internal and external reviews and accreditation of NOSM programs
7. Act as a surveyor for internal reviews at NOSM

### **Administrative Responsibilities**

8. Chair the Residency Program Committee
9. Facilitate communication among preceptors, programs and residents through committees and other mechanisms for the purposes of planning, coordinating and overseeing respective components of the program
10. Participate in required postgraduate NOSM, and RCPSC committees, as identified by the Associate Dean, Postgraduate Education and provide such reports as may be required from time to time.
11. Liaise with people and groups essential to the Public Health and Preventive Medicine residency program such as:
  - a) NOSM Program Director(s)
  - b) The Royal College Public Health and Preventive Medicine Specialty Committee
  - c) Other Public Health and Preventive Medicine program directors across Ontario and, at times, Canada
12. Fulfil other such duties as may be assigned.

### **QUALIFICATIONS:**

- Must hold certification in with the Royal College in Public Health and Preventive Medicine (or equivalent as determined by the Associate Dean PG)
- A physician licensed in Ontario who is a member of the RCPSC, who possesses or is eligible for an academic appointment with NOSM
- Preferably three (3) years recent northern practice experience
- Preferably three (3) years recent experience as a preceptor

### **KEY COMPETENCIES:**

- Substantial knowledge of, and exposure to, the issues faced by northern and rural medical education
- Significant experience in clinical practice and academic sectors
- Self motivated and directed
- Superior interpersonal, communication, leadership and problem-solving skills
- Resident advocacy skills and interest

Interested candidates are invited to submit a resume along with verification of academic accomplishments quoting the competition number # **2016-1003-KG** to:
