

Medical Officer of Health/Chief Executive Officer Hastings Prince Edward Public Health

Belleville

Hastings Prince Edward Public Health (HPEPH) is a progressive public health unit serving a population of approximately 160,000 people in the County of Prince Edward, Hastings County, Quinte West and Belleville, Ontario. Headquartered in its new, state-of-the-art facility in Belleville, HPEPH fulfills its mission of enabling the people in Hastings and Prince Edward Counties to achieve and maintain optimal health by providing reliable health information and dozens of health protection and promotion programs and services across its 7,000 square kilometre catchment area.

Due to the retirement of the incumbent, HPEPH is seeking its next **Medical Officer of Health/Chief Executive Officer (MOH/CEO)**.

Reporting to the Board of Health, the MOH/CEO provides strategic leadership and management of HPEPH in meeting the community health needs for Hastings and Prince Edward Counties. The MOH/CEO is the expert resource to the Board and the community for issues of health protection and promotion, and serves as the face of the agency in all external advocacy and communication by providing expert advice and leadership for emerging public health issues or emergency situations. Working in close collaboration with HPEPH's Senior Management Team, the MOH/CEO sets the strategic direction and operational priorities of all services to ensure that it meets the unique needs of the 17 municipalities HPEPH serves, and to provide sound stewardship of its funding and resources.

As an ideal candidate, you are a physician licensed (or eligible) to practice in the Province of Ontario, likely as a fellow of the Royal College of Physicians and Surgeons of Canada in either Community Medicine or Public Health and Preventive Medicine. HPEPH will benefit greatly from your previous experience in a senior administrative position in another dynamic health organization, as well as your demonstrable expertise on the development, monitoring, and evaluation of health programs and services. An outstanding communicator, you are considered a skilled advocate who creates awareness and builds strong relationships with the community, partners, stakeholders and the media. You are a systems-thinker and agent of change; forward-thinking, proactive and passionate about upholding the highest quality standards of public health. A strong team builder with a collegial and inclusive style, you will bring vision and a strong commitment to nurturing the ongoing evolution of this respected public health unit and the region it serves.

To explore this exciting public health leadership opportunity, please contact John Caminiti or Andrew Dumont of Boyden at 613-749-9909. To apply for the position, please submit your application and related materials to jcaminiti@boyden.com and adumont@boyden.com.
